

# STRZELECKI BOWLS REGION

## November 12/11/2021 update

### **Pennant Resumes Saturday 13<sup>th</sup> November**

Pennant resumes tomorrow and the weather forecast is not favourable.

Managers can agree to call the game off at any time if conditions are not suitable to play. If the managers cannot agree it is up to the umpire of the day to make the decision.

Clubs with an unplayable green should make every effort to obtain an alternate venue. If this happens, they must notify their opponents.

If the Home Club does not have an accredited umpire available, then a visiting accredited umpire may be appointed to officiate. Alternatively, if no accredited umpire is available, then an accredited measurer must be appointed umpire. If we still need an umpire the home Club will appoint the most suitable player who is available.

If play is delayed or stoppages occur so that over 60 minutes of time is lost, then the game is ruled to be over and if sufficient ends have not been played to determine a result, then the game will be classed as a draw and all points shared.

If a bowls has been delivered the game counts as a game for player records. If the game does not start, the game is not counted in a player's record and all player names should be removed from the results and the score for each rink recorded as 0 - 0

If a division has a majority of games abandoned without a result than all games in the Division will be treated as draws and points will be shared.

### **Byes**

San Remo (2) has withdrawn from Division 5 to create a bye. All teams in the Division have the same number of byes, player names are not recorded, and no points are awarded. This applies in all Divisions where a bye occurs.

### **State Events**

State Event Entries can be found on the Strzelecki Region website.

<https://strzeleckiregion.bowls.com.au/state-events/>
